

Campaign to send
Mr. Howard Shanker
To the
9th Circuit Court of Appeals
San Francisco, CA

Dear PMPC Members,

The final stage for the lawsuit, PARC et al vs. ADOT and the Federal Highway Administration (FHWA) is expected sometime this summer. PMPC is an environmental plaintiff in this suit, so we ask that you join in efforts to raise \$6000 to send PARC attorney, Howard Shanker, to San Francisco for the oral arguments. Mr. Shanker has provided hundreds of hours of pro bono work towards moving this lawsuit forward to stop the construction of the South Mountain Freeway Loop 202 (SMF 202) alignment. The oral arguments are the last chance plaintiffs have to stop the project and its toxic threat to the area and permanent destruction to South Mountain. Providing travel costs are vital so that Mr. Shanker can focus on preparing for the oral arguments without the additional stress of covering expenses for the required San Francisco trip.

HOW: To make a tax deductible donation to Protecting Arizona's Resources and Children (PARC), a 501(c) organization. If you would, to track PMPC support activities, please add PMPC to your donation information.

- (1) Send checks to: PARC; PO Box 50455; Phoenix, AZ 85076-0455
- (2) Use credit card: Use the PARC [gofundme](#) website

ACTION: PARC will send a donation acknowledgement for your tax records.

MORE INFORMATION: To receive the latest lawsuit history and information see <http://protectazchildren.org/>

Sincerely,

Patrick McMullen, PhD,
President - Phoenix Mountains Preservation Council
